

# Next Generation Needle Disposal

needle**smart**  
PROFESSIONAL (PRO)

---

A unique and patented technology - The NeedleSmart Pro for use with standard or safety needle formats in the range 21G - 25G.

- **Enhanced needle disposal**
- **Reduced Incidence of Needle Stick Injury (NSI)**
- **Reduction in costs associated with NSI**
- **Use standard needle formats in place of more expensive 'Safety Needles'**
- **The melted needle is sterile with pathogens destroyed**
- **Reduced disposal costs**
